Where to Go

If you're looking for a welcoming organization that appreciates members and helps the community whenever and wherever they can, then you need to look no further. The Royal Canadian Legion, Branch 106 is that place! We can play darts and cards or pool and music. We can dance, make new friends, and celebrate life. There are activities almost every night and everyone is welcome to become a member of a branch full of pride and generosity. The Hastings Legion is the longstanding host of Kawartha Pine Ridge District School Board annual speeches and supports our community whenever they can.

If you would like a cold beer, or a friend, stop in and say hello – the stories are always funny and the smiles genuine. Call Vicki Seenev at (705) 696-2363 to find out more about the Hastings Legion Branch 106, at 10 Front Street West.

Words of Wisdom

A good father is one of the most unsung, unpraised, unnoticed, and yet one of the most valuable assets in our society.

- Billy Graham, American Evangelist

It's not flesh and blood, but the heart which makes us father and son.

- Johann Schiller, poet physician and historian (1759-1805)

History 101

SUBMITTED BY JACQUELINE BEAMISH & JENNIFER LITTLE

The first member of the Beamish family to immigrate to Northumberland County was Charles Beamish in 1848. He was born in the County of Cork, Ireland in 1820. He married Mary Dukelow in 1850. A crown deed for 25 acres in Percy Township, 1 mile south of Hastings at the 11th Concession was granted in 1855. There, Charles built a log cabin and a small barn. That fall he was given a contract to cut 100 cords of hardwood. Charles worked all winter with his axe and was paid \$1.00/cord. With the money, he bought a team of oxen. They were then used to clear more land and take them to church. He purchased more land in later years. His son Samuel was born in 1865 and he took over the farm in 1887 upon the death of his father. Samuel married Victoria Donald of Prince Edward County. They had 12 children. Donald Beamish, one of their sons, became the next owner of the farm and he also did some carpentry work and built 2 houses in the Village of Hastings. The century farm was later passed down to his son Sam in 1957. 5 generations have lived on the farm since that first settler.

Business Tips

Do you count on summertime visitors for income? Can they find you? How do YOU find what you want when you are in a new place? You pull out your smart phone and do a search on Google. You check the results and go to the nearest place to spend your money. When somebody searches for you, will your business show up on Google? Make sure you do. Get listed in important free online directories. Do you show up in Yellow Pages, Goldbook, Yelp, Canpages, Manta, iBegin, Profile Canada and others? If you don't show up, you can create a listing for free. In these directories you can add your business, your address, phone number and a list of services or products you have to offer. Then when somebody searches for "pizza near Hastings" or "auto repair" or "fishing supplies" you will be findable. Start today, and add another couple new directories every week. When July rolls around, and area visitors are looking for products or services you have to sell, they will be able to find you with ease.
