## Where to Go

**Friday, August 18<sup>th</sup>** is the start of an action packed weekend in Hastings! At 10am the Annual Fibre Festival begins at the Civic Centre, where you can participate in conversations, workshops, and demos - all pertaining to the art of creating something unique and long lasting. The 11<sup>th</sup> annual Waterfront Festival kicks off on Friday evening with live music and a BBQ!

The festivities continue on **Saturday, August 19<sup>th</sup>**, beginning at 8 am with a pancake breakfast (ending at 10 am) and followed by a Family Fun Day along the south shore of the Trent River (at the marina). There will be tons of vendors, displays, interactive presentations and food all day long! Don't miss the new Butter Tart Contest, Photography Contest, and Big Ticket Raffle. Saturday evening will continue the celebrations with more live music and visits to the beer tent! The Hastings Psychic Fair will also be happening from 10 am to 4 pm on Saturday - don't miss it!

On **Sunday, August 20<sup>th</sup>** our annual Car Show will be happening at the Marina, and it is always a great way to end an epic weekend! Visit Hastings during the weekend of August 18<sup>th</sup> through to the 20<sup>th</sup> and make some memories! Don't forget to look for hidden rocks while you're in town - this time the theme will be waterfront festival fun!

## Quiz Me!

1. How many species of maple trees are native to Canada?
2. What are Canada's largest native spiders?
3. What is Canada's national tree?
4. Where is the Nahanni National Park Reserve and what does it take to get you get there?
5. Where is the world's largest temperate rainforest?

## Just Kiddin'

What kind of pig hides in the bushes? A hedgehog.

Why did the old man fall into the well?

Because he couldn't see that well.

What do you get when you cross a bank and a skunk?

Dollars & cents.

## History 101

Want to go shopping in 1892?

A subscription to the weekly newspaper was \$1/year.

It's now free of charge.

A bushel of peas was 55 cents.

They are now about \$15 for the same amount.

Maple was \$3/cord.

A face cord is now \$125+ and a bush cord is \$300 or more.

Buckwheat was 40 cents a bushel.

It's now \$8 or more.

1892 prices gathered from page 90 in Birth of a Village  
by Wilfred Lynch.

2017 prices found throughout Canada via Google search.

(	-		+	)	=8
-		+		÷	
)	-		+	(	=7
x		-		-	
(	÷	)	+		=7
=5		=10		=0	

Each of the digits 1 through 9 is used only once in this puzzle.  
Can you figure out where they must be placed so that each  
of the equations (horizontally and vertically) are true?

## Animal Crackers

Flamingos eat by turning their head upside down, under water, and taking in mouthfuls of silt and water. They then strain it through their beak and get rid of stuff they don't want (keeping shrimp and insects) to swallow.

A spotted hyena clan can have anywhere from 10 members to a whopping 75 or more! The clans are made up of (mostly) females and their young; once males reach 2 years of age, they are cast out to join another clan (as their least important member).

The beluga whale is the noisiest of all cetaceans (whales, dolphins, and porpoises). Their song can be heard above water – even when they are singing far below the water's surface! Belugas live in arctic and subarctic waters (including the St. Lawrence River).

## Quiz Me!

ANSWERS

1. Ten. 2. Dock & fishing spiders. 3. The sugar maple.
4. N.W.T. & a chartered float plane. 5. British Columbia.
