## Words of Wisdom

"... it is better to have little of what is good, than to possess much of what is not good".

~ Chief Dan George (1899-1981) Vancouver, BC

## History 101

SUBMITTED BY BRIAN HOLT

The year was 1997. The Spice Girls were on top of the charts, and Leonardo DiCaprio went down with the Titanic. In Hastings, Janice Green decided, on a whim and with no real experience in the restaurant business, to buy the local coffee and donut shop. In April of that year, at the corner of Bridge and Water, Bridgewater Coffee & Donuts was born. With the help of her son Jeff, and his wife Melissa, they kept the coffee hot and the donuts donutty from 6am to 10pm. The long hours paid off and soon a group of loyal customers would be waiting for the doors to open each morning. In 2006 Janice passed the torch to her favourite son Brian and his favourite wife Jackie. With Jackie's culinary training they have continued to build on the philosophy of reasonable prices, quality ingredients, and homemade goodness. After leaving the plaza in 2011, and after a few years on Front Street, we moved into our current location and couldn't be happier with the move. Now known as Bridgewater Coffee & Pizza, Bridgewater Cafe or simply "the coffee shop" it is a welcoming place for new and familiar faces alike. After 20 years one thing is certain; none of it would have been possible without our wonderful customers and employees, past and present, who have made this such a great place to be.

## Business Tips

SUBMITTED BY PAUL STEVENS

Classified sites are an underused business marketing resource. Many online classified advertising sites are free. You can post a link to your website, video, or other online location. Post several versions of your ad. Instead of offering "doors for sale," specify "French Doors" or "Eight panel doors" or "solid wood doors." Search engines can pick up keywords from your ad. So when someone goes looking for "solid wood doors" Hastings ON, they will get your ad. It doesn't take much longer to post three or four targeted ads than it does to post and create just one. Next time you do a Google search for a service or product, notice how often Kijiji comes up. Wouldn't you like some of that kind of exposure? Contact me if you have questions. Paul Stevens - Bootstrap Local Marketing (705) 931-2223
