Where to Go

SUBMITTED BY JENNIFER MACE OF INVESTORS GROUP FINANCIAL SERVICES (SEE AD)

Planning for tomorrow and today.

Your values define who you are and what you believe, and most importantly, how you choose to live your life.

A well-thought out plan for your financial future is an integral part of building the life you want for yourself and your family. As the number of options for investing increase, so does the volume of information available to us about financial matters. Advice has never been more important.

Your plan creates an essential framework to guide decision making in the midst of information overload. It provides an important road map for achieving your life goals. It helps you to keep your focus on the big picture and the long term.

We have always believed that building long-term relationships with clients is the best way to help individuals and their families explore the financial planning options at each stage of their lives.

Successful mothers are not the ones that have never struggled. They are the ones that never give up, despite the struggles.

~ Author Unknown

Being a mother is learning about strengths you didn't know you had and dealing with fears you didn't know existed.

~ Linda Wooten

History 101

SUBMITTED BY JIM COVENEY

The Hastings Memorial Arena has served our community well. The present metal building replaced the old 1947 wooden frame structure, in 1977 or 1978. Jim Moore had previously installed refrigeration equipment to maintain an artificial ice surface. Porter Fife started fundraising for the arena in 1976, then Sam Kilpatrick took the lead and was later succeeded by Walter Scudds.

Local committees added to the fundraising efforts, for example, Ab Nelson ran a car lottery and in 1977, The Carlton Show Band put on a concert. These funds were matched by a Wintario grant to help cover arena costs. As an opening celebration, Wintario televised a live lottery draw from the Hastings arena. The arena was home to figure skating, curling, wrestling, boxing, home and craft shows and house league hockey. Minor hockey teams kept the ice busy in winters. Among them were a 1992 All Ontario Juvenile Championship team coached by Rob Fife and Griff Sullivan.

The Catholic church held annual concerts that filled the arena with entertainment by: Leahy, Farmers Daughter, Carol Baker, Jamie Warren, John Landry, Aiden McGill, Lisa Brokop, Beverly Mahood, George Fox, Lace, Charlie Major, Freddy Vette and Michelle Wright. The arena has created wonderful memories for many in the community.

A female oyster can produce over 100 million eggs in a year. Kittens are born blind and deaf but the vibrations of their mother's purr acts like a homing device signalling them to nurse.

A mother giraffe often gives birth while standing up, so the newborn's first experience is a 6 foot drop!
